You will love this custom built 3-story home with 2-story guest house. The homes are connected by a bridge directly over the pool! This enchanting 7 Bedroom home has 4,413 square feet of living space and is a short walk to the beach. Inside you'll find a spacious great room and gourmet kitchen. The main house includes a library, an office, extra storage room, and a theatre room. The library transcends both the second and third floor. The 3rd floor master ensures privacy and has a balcony with an ocean view. Two A/C units will keep the main house cool during the hot summer months. The charming guest house has its own sizable great room with 3 bedrooms and a separate laundry. Everyone can meet in the amazing outdoor living area for a swim in your heated pool. Enjoy a cool evening sitting by the outdoor wood burning fireplace. Two car garage with large paver driveway. Much, much more. This home is so extraordinary that you must see it for yourself.
